

- **Announcement of Decision on Payment of Special Medical Expenses**

This document notifies you of the decision to pay “special medical expenses” to you. As a recipient of “special medical expenses,” you are required to temporarily cover the full amount of your medical expenses at medical institutions and the like. (This system does not apply to insured persons who are between their 18th birthday and the first March 31 after that day.)

If any special circumstances prevent you from paying the full amount or if you would like to inquire about insurance premium payments, feel free to contact the Collection Section, Insurance and Pension Division, Shimonoseki City Hall (Tel. 083-231-1689).
